Subject: Weather Update.

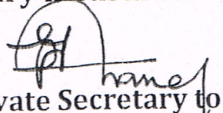

This office is in receipt of communication from Ministry of Earth Science, Indian Meteorological Department, Rambagh, Srinagar regarding the above captioned subject.

As per the communication, the State still persists over J&K and is likely to remain overhead till 26th. Under the influence of this system, **moderate to heavy rain/snow is expected at widespread places of Jammu, Kashmir & Ladakh region during next 24 hours.** The main activity of this system (moderate to heavy snowfall) is likely to be till 26th January, 2017.

Warning:-

- 3) **Higher reaches of Kashmir, Ladakh and Hilly areas of Jammu most likely to receive heavy snowfall during next 24 hours.**
- 4) **These may lead to closure of National Highway and disruption of surface and air transportation.**
- 5) **To avoid movement in snowbound hilly and sloppy areas during next 28 to 72 hours.**

In view of the above, all the Deputy Commissioners of Kashmir Division including Leh and Kargil are requested **to take all precautionary measures.**

Sr. Private Secretary to
