

Div Com Kashmir visits Gandbal

Srinagar: 19.5.2010

In order to take stock of the situation due to rise in the water levels of Jhelum Ms. Naseem Lanker Divisional Commissioner Kashmir visited some low lying areas including Gandbal, Soiteng and Lasjan. She gave on spot instructions for removal of illegal encroachments and trees which were obstructing the flow of the river. Some cracks had developed in the river banks and Flood control department was instructed to take up its immediate restoration. She also inspected flood protection works taken up by Flood Control department. The locals of Gandbal demanded a Kerosene Oil depot in the area and construction of school building as their children had to cross the river Jhelum or go to Soiteng to reach their school.
