The chair sought feedback from participants particularly from the Deputy Commissioner Srinagar who highlighted some significant issues faced by the district.

The critical issues that the Deputy Commissioner raised include the Traffic congestion, infrastructure gaps in education, Health & Power infrastructure. The Deputy Commissioner also emphasized on the lenient execution of works by line department viz-a-viz, sanitation by line department like SMC, enforced market checking by Legal Metrology, installation of lights on boulevard by PDD, drainage network and water logging by SMC/UEED etc.

The Deputy Commissioner asserted that the welfare schemes like Marriage Assistance & other schemes under ISSS & NSAP etc are vital for the poor and the people of Srinagar are mainly deprived because the number of marriageable girls in the district is very high in number. He requested the chair that the quota of funds for the District in such schemes especially the Marriage Assistance Scheme should be enhanced so that the poor get benefited.

The Deputy Commissioner also put up the details of major projects underway in Srinagar like expansion of Astaan of Dastgeer Sahab & Naqshband Saahab, Zaina Kadal, widening of SMS road, establishment of F&ES Station at Mahraj Gunj, expansion of Bone & Joint Hospital/CD hospital/JLNM hospital, construction of community halls, drug de-addiction, youth engagements & other acquisition cases. He asserted that the projects shouldn't be lunched for the want of funds & requested the chair for release of funds for timely completion of projects.
